

# Leading Oregon to a safe, equitable, clean, and sustainable energy future.

## Our Mission

The Oregon Department of Energy helps Oregonians make informed decisions and maintain a resilient and affordable energy system. We advance solutions to shape an equitable clean energy transition, protect the environment and public health, and responsibly balance energy needs and impacts for current and future generations.

### 4 Pillars of Decarbonization

-  **Energy efficiency** 
-  **Electrification of end uses**
-  **Decarbonizing the electric sector**
-  **Developing low-carbon fuels**
